

xfinity

Neighborhood construction alert

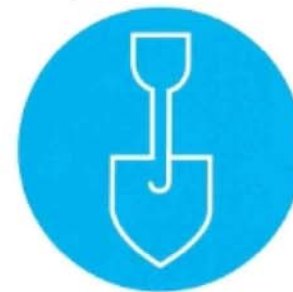

XFINITY customers will
experience service interruptions.

**We're installing new fiber
in your area soon.**

Due to utility placements in your neighborhood, we'll need access to your side and backyards. During the update we ask that you keep all pets indoors. If construction disturbs landscaping or causes damage to your property, please call 1-800-XFINITY.

Date

Time

Crews will be installing new fiber in your neighborhood.

This will allow us to offer even more reliable service, greater network capacity, and faster speeds in the future.

**XFINITY customers will experience these
service interruptions while we work:**

XFINITY TV

XFINITY Internet

XFINITY Voice
including emergency 911 calls

We'll send you real time text alerts
so you can plan around service interruptions. Make
sure your mobile number is up to date on My Account.
